Parents with a residence in the state capital Schwerin
with children in care facilities as per § 24 Social Code VIII
Crèche, Day Care, Nursery and Refuge

Dear Parents and Legal Guardians,

The city council orders the relevant administrative body to submit the results of a parents' survey on the effects of the amended Child Day Support Act of Mecklenburg-Vorpommern and the amended statutes on the use of day-care facilities and day-care centres. Furthermore, the needs of parents in Schwerin when it comes to opening hours / care periods in children's day care facilities must be repeatedly ascertained.¹

Our joint aim is to ensure further development of quality of care following an expansion of child day care places and, with this, offer you, the parents, tailor-made care offers appropriate to your family/professional/education and training situation.

We plead that you show us support and cooperation – with the information that you provide, we obtain valuable suggestions on how to provide tailor-made care situations². Please note that a fully completed questionnaire would best represent your wishes and suggestions during the stage of its evaluation. Please hand in your completed form to your children's day care facility, your parents representative body or the city administration (Am Packhof 2-6, in 19053 Schwerin) **by 30 September 2022**. Please also take advantage of the opportunity to answer the questions in digital form on the website of the state capital Schwerin www.schwerin.de.

Thank you very much for your time and support! If you have any further questions, we will be readily available to field them.
